

INAPRO® Patrol MSO

Water Conditioning Agent, Drift Control Agent, Surfactant, Spreader, Penetrant

KEEP OUT OF REACH OF CHILDREN

Principal Functioning Agents:

Ammonium Sulfate, Methylated Soybean Oil, Proprietary Blend of Amine Oxides and	
Fatty Acids (non APE/NPE).	68.338%
Constituents Ineffective as Spray Adjuvants	31.662%
Total	
Surfactant Content (2 EEE9)	

Surfactant Content (3.555%)

Ingredients exempt from the requirements of a tolerance under 40 CFR 180.

See Safety Data Sheet (SDS) for more information.

NOT FOR AQUATIC USE

GENERAL INFORMATION: INAPRO® Patrol MSO must be tank blended <u>only</u> with EPA-registered herbicide product(s) to enhance the performance of the active ingredients of those products into nuisance plants using low pressure spray application methods.

INAPRO® Patrol MSO is designed as a drift control agent, water conditioning agent, surfactant, spreader, penetrant, and liquid ammonium sulfate product for use with herbicides registered for agriculture, forestry, industrial, municipal, non-cropland and right-of-ways.

DIRECTIONS FOR USE: Adjuvant addition to tank blends may cause phytotoxicity to foliage or target crops with certain active ingredients. Prior to using INAPRO® Patrol MSO, applicator must have knowledge of the herbicide products and other additive products being utilized in the tank mix or have conducted a phytotoxicity test.

APPLICATION RATES: Ground/Foliar application: 0.5-2.5%(v/v) (0.5-2.5 gallons) of INAPRO® Patrol MSO per 100 gallons of spray solution. Aerial application 2.5-5% (2.5-5 gallons) of INAPRO® Patrol MSO per 100 gallons of spray solution.

INAPRO® Patrol MSO provides the equivalent of 5.53lbs dry ammonium sulfate in 2.5 gallons.

MIXING: If specific mixing instructions are not present on the herbicide label, utilize the following order of addition. These mixing instructions apply for every target application of INAPRO® Patrol MSO.

- 1. Add water or desired carrier to spray tank up to 50% of desired total volume
- 2. Add any additional compatibility agents, antifoam, if required
- 3. Add any additional dry formulations (WP, DF, WDG, SP)
- 4. Add any additional dry soluble and suspension fertilizers.
- 5. Add any additional liquid drift retardants and flowable formulations (F & FL)
- 6. Add liquid concentrates, suspension and microencapsulated (LC, SC, ME)
- Add emulsifiable concentrates (E. EL or EC)
- 8. Add any additional solutions and soluble liquids
- 9. Add any additional liquid micronutrients and fertilizers
- Add any additional water conditioners and other adjuvant products (COC, HSOC, MSO, NIS)
- 11. Complete filling with carrier to desired spray volume level

Always consult herbicide product labels for proper rate.

PRECAUTIONARY STATEMENTS

Wash face and hands and any exposed skin thoroughly after handling. Wear protective gloves, protective clothing, eve protection and face protection.

FIRST AID

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/ attention. IF INHALED: Move to fresh air. If not breathing, give artificial respiration. Call a physician or poison control center immediately. IF ON SKIN: Wash off immediately with plenty of water for at least 15 minutes. Call a poison control center or doctor for treatment advice. Remove contaminated clothing and shoes. Wash contaminated clothing before reuse. IF INGESTED: Do NOT induce vomiting. Never give anything by mouth to an unconscious person. Call a physician or poison control center immediately. Risk of product entering the lungs on vomiting after ingestion. Gently wipe or rinse the inside of the mouth with water. If a person vomitis when lying on his back, place him in the recovery position.

DISCI AIMER

To the extent consistent with applicable law, seller (whether manufacturer, distributor, or other) makes no warranty express or implied, including the implied warranty of merchantability AND IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE regarding this product except the composition as set forth in the ingredient statement herein, and shall not be liable for LOST PROFITS, LOST PRODUCTION, LABOR COSTS, TRANSPORTATION CHARGES, OR ANY special, consequential, INCIDENTAL OR DELAY damages, the exclusive remedy being the replacement of the product. To the extent consistent with applicable law, buyer or user assumes all risk of possession, handling or use of this material when such use and/or handling is contrary to label instructions.
