UN3082 ENVIRONMENTALLY HAZARDOUS SUBSTANCE, LIQUID, N.O.S., PG III, Hazchem 3Z.  
Marine Pollutant

**HAZARD CLASSIFICATION:** Acute oral toxicity Category 4, Skin irritation Category 2, Respiratory sensitisation Category 1, Skin sensitisation Category 1, Reproductive toxicity Category 2, Specific target organ toxicity repeated exposure Category 1, Specific target organ toxicity single exposure Category 2, Serious eye damage Category 1, Hazardous to the aquatic environment acute Category 1, Hazardous to the aquatic environment chronic Category 1, Hazardous to terrestrial vertebrates, Hazardous to terrestrial invertebrates

**This product must not be used for any purpose, or in any manner, contrary to this label unless authorised under appropriate legislation. For industrial use only. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood.**

**TOXICITY:** Harmful if swallowed. Causes skin irritation. May cause allergy or asthma symptoms or breathing difficulties if inhaled. May cause an allergic skin reaction. Suspected of damaging fertility or the unborn child. Causes damage to kidneys through prolonged or repeated exposure. May cause damage to organs. Causes serious eye damage.

**ECOTOXICITY:** Very toxic to aquatic life with long lasting effects. Hazardous to terrestrial vertebrates and invertebrates. Avoid release to the environment.

**PERSONAL PROTECTION:** Avoid contact with skin and eyes and inhalation of spray mist. When mixing or applying this product, wear overalls, boots, gloves and splash proof goggles and respiratory protection. Do not eat, drink or smoke while using. Remove protective clothing and wash hands and face thoroughly before meals and after work.

**STORAGE:** Store in original container, tightly closed, in a locked, dry, cool and well-ventilated area avoiding direct sunlight and away from foodstuffs, fertilisers or seeds.

**PRODUCT DISPOSAL:** Dispose of this product only by using according to the label directions or if this is not possible contact your supplier for advice.

**CONTAINER DISPOSAL:** Triple rinse container and add rinsate to the working tank. Return clean containers to supplier, or puncture and dispose of at an approved landfill. Do not burn. Do not use container for any other purpose.

**FIRST AID:** For advice call the National Poisons Centre (NZ ph131126) (24 hours) or a doctor. If medical advice is needed have product container or label to hand.

**IF SWALLOWED:** Do NOT induce vomiting. Rinse mouth. Call the Poisons Centre or doctor if you feel unwell.

**IF IN EYES:** Get immediate medical advice/attention. Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing.

**IF ON SKIN OR HAIR:** Remove contaminated clothing. Wash skin with plenty of soap and water. If skin irritation occurs, get medical advice/attention. Wash contaminated clothing before reuse.

**IF INHALED:** Remove to fresh air and keep at rest in a position comfortable for breathing. Call the Poisons Centre or a doctor if you feel unwell. Apply artificial respiration if not breathing.

**EMERGENCY RESPONSE:** In a transport emergency call 111 (NZ).

For specialist advice in a chemical emergency call 0800 CHEMCALL (0800 243 622)

**SPILLAGE:** Exclude non-essential people from the area. Wear protective clothing and prevent chemical from entering waterways. Absorb liquid spills with inert material such as attapulgite, soil, etc., and place in a sealable and labelled waste container. Wash area with and absorb with further inert material. Dispose of safely at an approved landfill.

**SAFETY DATA SHEET:** Additional information is provided in the safety data sheet. Contact your supplier for a copy.

**GENERAL INFORMATION:** For use in water-based wood preservative formulations. Contact your Kop-Coat specialist for advice.
