

FOR INDUSTRIAL USE ONLY

KEEP OUT OF REACH OF CHILDREN

See Safety Data Sheet (SDS) for more information.

DIRECTIONS FOR USE

DILUTE BEFORE USING.

Mix IRON FIXT™ HB with a sapstain control read-to-use treating solution to help remove iron stains during the treatment of freshly sawn lumber. Contact Kop-Coat for further information. When used properly, IRON FIXT™ HB will also protect sawn lumber from the formation of iron stain discolorations during the treating process. It can be used with dip, flowcoat and spray application systems.

IN CASE OF FIRE

Use water spray, fog, Carbon dioxide (CO2), foam or dry chemical to extinguish fire.

DISCLAIMER

To the extent consistent with applicable law, seller (whether manufacturer, distributor, or other) makes no warranty express or implied, including the implied warranty of merchantability AND IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE regarding this product except the composition as set forth in the ingredient statement herein, and shall not be liable for LOST PROFITS, LOST PRODUCTION, LABOR COSTS, TRANSPORTATION CHARGES, OR ANY special, consequential, INCIDENTAL OR DELAY damages, the exclusive remedy being the replacement of the product. To the extent consistent with applicable law, buyer or user assumes all risk of possession, handling or use of this material when such use and/or handling is contrary to label instructions.

IRON FIXT™ HB

Iron Fixation Technology

Wood treatment concentrate. Helps brighten lumber and remove iron stains during sapstain control treatment of freshly sawn hardwood lumber.
